**OK, don't tell me – have we decided to kick the EU into touch or not? I'm writing this with a whole two and a half weeks to go before the big day, and I'm all a-tremble at the result. Hang on a sec... no I'm not! What's got me all a-tremble (yet again) is the slew of stunners we've got lined up for you this month! And if I was given the opportunity, I'm pretty confident I can say I wouldn't pull out of a single one of them!**

## MALLORCA PORKER

Dear *Mayfair*,
Every July, my mates and I go on a wild blowout holiday to one of the party islands then spend the rest of the year recovering and saving up for the next one! This year we're off to Magaluf for a fortnight, but in 2015 we went to Ayia Napa, which was the most mental experience ever: I've never gotten so pissed, so high and pulled so many birds in fourteen days!

The first night we arrived, we went to a club. I got hammered and ended up dancing, well, grinding, with this girl – I didn't catch her name – and it wasn't long before we were snogging each others' face off. I was a bit surprised, however, was when she shoved her hands down the front of my pants and began to wank me off, right there on the dancefloor! Talk about brazen! Luckily, everyone was so smashed that nobody noticed and, to be honest, I was so smashed that I don't think I would've cared if they had!

I'm not sure either of us had thought the inevitable sticky hands and impossible clean-up situation through, but it turned out we didn't have to as, just as I was approaching the point of blissful no return, the girl's mates spotted her and dragged

> MY COCK WAS SCREAMING FOR RELEASE AS SHE WRIGGLED UNDER ME.

her off me, yelling that they were off to another club. Close but no cigar.

Frustrated at being left with blue-balls I went to the bar, bought a shot, downed it and then scouted the club for another potential hook-up. I almost had something to prove now, if only to myself… And that's when I clocked Mariella.

With her long red hair and piercing blue eyes, I instantly fancied her, the girl I had so badly wanted to fuck mere minutes ago forgotten. We locked eyes and she grinned before dancing in my direction, her hips gyrating as she reached me and ground her crotch into mine. My dick, which had not long ago deflated, sprang into action again, straining against the denim of my jeans.

Mariella noticed and smiled sexily as she wrapped her arms around my neck, pulling me closer. The feel of her perky tits pressing against my chest made my cock ache and I grabbed her arse tightly, my fingers curling up under her bumcheek as I pushed my prick against her groin.

I noticed that she was breathing heavily against me now and, despite not having said a word to each other (the music was so loud that we wouldn't have been able to hear each other anyway), I was determined not to let this stunner get away. I motioned that we should get out of there. Nodding, she grabbed my hand and led the way out of the club. I suggested we go for a 'romantic' moonlit walk down the beach, which was only two minutes away. Mariella obviously liked the idea because she was off, marching ahead and ordering me to keep up.

It didn't take us long to find an isolated cove and before we even stopped walking we were kissing passionately, our hands tearing at each other's clothes until we fell naked on the cool sand. I rolled over and pressed my body on top of hers, taking control. My cock was really throbbing now, screaming for release as Mariella wriggled invitingly under me. I kissed her firmly and

## SEC'S ON LEGS!

Dear *Mayfair*,
I was beginning to despair of ever seeing the stupendously curvy Tommie Jo in your pages ever again, so when I saw she was in the forthcoming issue at the end of 51.06 I made sure I didn't miss it – and I wasn't disappointed! She looked absolutely stunning, all dolled up as just about the perfect secretary any man could hope to have – what I wouldn't give to walk into my office and find her sprawled across the desk with her peachy arse raised and ready for attention! I love that look on her face as well – she's looking a bit scornful (on page 8, say), as if to say "Really, shame on you for having lustful thoughts about me, as I stand her naked!". But I defy any man to not have them! More TJ again son please – and pass on my regards to the lovely girl herself!

## A SHROPSHIRE JAD'

**Dear *Mayfair*,**
Believe it or not I've never bought your mag before *(Whaaa?! – incredulous Ed)*, but as a massive fan of Jada Cameo, when I saw her tweet about being on the cover I headed out to the newsagent and bagged myself a copy post haste. Well, what can I say? A) Jada herself looked simply amazing, from the opening shot of her lying down and looking slyly at the camera to the final pic of her reclining with her gorgeous legs spread, her beautiful bald pussy on full show… and B) Why the hell haven't been buying *Mayfair* for years, if this is the sort of quality quim we're treated to, month in, month out!? Anyway, better late than never, I guess – I can't wait to see what treats you've got lined up for us in 51.07!
Martin, Ludlow.
**Well Martin, yes, better late than never alright, and welcome to the *Mayfair* family at last! Back issues are available if you want to do some catching up… - The Ed.**

she reached down and began to vigorously stroke my cock.

Because I had already been wanked by a pretty girl that evening – unbeknownst to her, of course – I was desperate to get my dick wet. She seemed to sense that the handjob wasn't really cutting it and, after I'd rolled a condom on, she wrapped her legs around my waist, her fingers grabbing my hair as my solid prick pressed against the warm wet opening of her pussy. She gasped as I slowly entered her; the inner folds of her flesh squeezed and pulled at my manhood as I slowly pushed my way deep inside.

I squeezed her arse cheeks, pulling her forward and plunging the full length of my shaft into her, holding it there. Her pussy muscles contracted around my throbbing tool so I slowly raised her hips and plunged down inside again. Her pussy was so tight that my prick felt like it would explode there and then, but somehow I managed to hold back.

Trying to distract myself from shooting my wad, I held my meat still and took her nipple in my mouth, concentrating on sucking and nibbling it gently until it stood to attention in my mouth. She moaned as I flicked her nub with my tongue and gasped when I playfully bit it, until I was sure the danger of coming had passed, at which time I began bucking my hips slightly again.

It was like Mariella suddenly woke up! She squeezed her legs tightly around my hips and squealed for me to fuck "the living shit out" of her (her words!). I began to hammer my cock deep into her, gaining momentum as I pressed her body further into the soft sand with each stroke. She thrashed and yelped as her pussy tightened and constricted around my plunging manhood. Her breath coming in gulps as she came hard, her orgasm causing her body to shake uncontrollably. I knew it was no good fighting it anymore and let go, emptying my ballsac of my hot, thick spunk, unable to stop myself emitting a low grunt with every last thrust. We lay there for a few minutes afterwards, both spent, my cock continuing to jerk inside her, before sorting ourselves out and heading back to the club. What a start to the holiday!

Mariella and I hooked up a few more times over the next fortnight – she'd told me where her villa was so, on the few occasions I didn't manage to pull, I'd show up and sweet talk her into spreading her legs for me. Not that she needed any persuading, or even asking, for that matter! Nor did she hide the fact that she was out to pull as many different guys as she could on her holiday, no-strings attached and I was just another notch. I'd never met a girl like Mariella before – she really was a female version of me! We kept in touch on Facebook and I just happened to mention that we're heading to Magaluf in July – I hope she takes the hint and heads that way herself. It'd be great to have a standby fuck around – especially one as good as Mariella!
Carter, Bassingbourn.

## A CLASS ACT

**Dear *Mayfair*,**
When I got the invite to attend a reunion of my school's year group there was only one reason I went – Debbie. She'd been in my class, and although we'd been good friends at the time, we'd never actually dated. She was mentioned on the invite as one of the organisers and the thought of being able to see her again guaranteed that I put the date in my diary.

The reunion was actually at the

Welcome to another spanking new issue of *Mayfair* – and what better way to kick it off with one of our favourite hotties of the current British crop (a bumper crop it is too, thinking about it) – Miss Zara Mae! Some girls are just naturals in front of the camera, aren't they, and from the way Zara tweaks her nips and plays with that pussy of hers, it's pretty clear she's to the manor born – and she's certainly got the frontage worthy of a manor house!

school and it was horrible smelling that strange musty smell again, but as soon as I clapped eyes on Debbie any sense of dread disappeared. She was talking to some other people from my year that I didn't really know but boy had she blossomed.

Long blonde hair, an awesome cleavage and some fine legs. My dick began to stir instantly. After a while, I managed to prise her away from the others and we had a good chat. She'd obviously been availing herself of the free wine and was soon flirting outrageously, which I didn't mind one bit.

Resting her arm on my shoulder I could smell the sweet scent of her perfume and had a fantastic view of her large breasts straining to escape from her tight evening dress. I led her out into the corridor and slipped my hands round her waist, pulling her towards me for a kiss. No sooner had our lips met, than her hand was pressing against the bulge in my crotch. Jeez, she was eager, and, after all these years, so was I.

We went into our old classroom, 14B, and Debbie pinned me up against the closed door, groping down my trousers for my cock. I struggled to raise her long dress but it was worth it as my fingers felt the taut nylon of her stockings. Debbie stuffed her tongue into my mouth and wrapped her fingers around my stiffening shaft. She began to slowly masturbate me, the tip of my prick resting on the smooth satin gusset of her panties as I cupped her lovely rounded arsecheeks and squeezed. Debbie groaned with pleasure and pushed my cock between her bare thighs, gripping my muscle with the soft flesh above her stocking tops. Fuck, I nearly shot my bolt there and then, but I had to get my hands on those knockers first.

I locked the door while Debbie removed her dress, standing before me in just her heels, stockings and panties. Those tits were awesome and I quickly grabbed two handfuls and starting feasting on her already rigid nipples.

As I sucked, Debbie wriggled out of her panties and, still with me mauling her boobs, sat on the edge of one of the desks. I pulled away and looked down at her cunt. She spread her legs and the lips of her twat parted at the same time, allowing me to see the glistening, pink inside of her love tunnel. Kneeling before that gaping hole, I licked the entrance, relishing the musky taste of her juices before sinking my tongue deep into her. Debbie moaned and lifted her legs onto my shoulders so she could grind that gooey slit hard against my mouth. I gripped her tits once more and slurped her to orgasm, swallowing the copious fluid that gushed from her cunt.

I moved around her prostrate body so that my dick could get some attention. Lying spread-eagled over the old school desk, Debbie looked as sexy as hell and she reached out for my meat as I positioned myself next to her face. I couldn't leave those breasts alone and toyed with the hard teats as she shoved my cock straight into her mouth. I watched her red lipstick smear down the length of my shaft as she sucked me in, my balls slapping her cheek as she did so. Strewth, she was good, and if I wasn't careful, Debbie was going to get a whole load of spunk blasted down her throat.

> I EDGED FORWARD, RESTING THE TIP OF MY KNOB AGAINST HER SWEET PUSSY.

Dragging my saliva-coated dick from her mouth, I moved around until I was once more between Debbie's stockinged thighs. I edged forward, resting the tip of my purple knob against the door to her sweet pussy. Debbie helpfully fondled her tits for me as I eased inside her and slid up to the hilt in that gorgeously tight, wet twat.

I remained motionless for a while, enjoying the firm grip of her muscles before sliding out and then back in. Debbie pinched one nipple between her finger and thumb while sliding her other hand down to her fanny. Prising the lips apart she pressed her index finger onto her clit and began to frig herself off as I fucked her slowly, my tongue groping around inside her mouth.

Soon I was banging her hard and fast, slamming my meat up her cunt like a wild thing. Debbie stifled a yelp as she came a second time, her love tunnel muscles clenching and unclenching along the length of my prick better than any sex aid.

The sweat was pouring off me and I slipped my hands beneath Debbie's writhing body and grabbed the cheeks of her butt, making sure my fingers nestled in the crack of her arse. As I thrust in and out of her, I wriggled the tip of one finger into her bumhole and knew I could control my mounting orgasm no longer.

Realising I'd reached the point of no return, Debbie pulled her cunt off my cock and pointed the pussy juice covered shaft at her chest. I drove my finger hard up her rear and let my spunk go. Thick, white arcs of seed rocketed over her sweat-soaked body – first onto her enormous tits, then her stomach, and even up to her chin. I splattered my old friend good and she lay there panting as I surveyed my work.

We cleaned ourselves up and left the school reunion, in order to continue our own horny version back at my flat. And we've been hard at it ever since, I'm delighted to say!

Pete, Norwich.

## HOLLY BARES THE CROWN!

Dear *Mayfair*,
Thank you for issue 51.06 and its super stunning array of high class stunners to gorge upon! In keeping with the high standards on display this issue, can I request more stand alone sets of both Holly Gibbons and Emma Green, the girls who topped your Girl of the Year poll! Both girls featured in a sexy double act not too long ago, and Emma has also been seen sharing the charms of a variety of other sexy babes like Lexi Lowe, Dani Maye and Sophie, and while I've loved all these sets, it seems remiss that *Mayfair* hasn't featured a stand alone set of Holly since October of last year, while Emma hasn't been in a solo set since December 2014! Editor, it's high time you gave us the pleasure of these girls once more without a 3rd party sharing in it!
Mick, Ireland.

**Well Mick, fear not – Holly will be back as soon as we can get her. Emma Green, meanwhile, was actually in last month's issue! But if you really can't wait for Holly, a little bird tells us she's in our sister title *Men Only* this month...**

Oddly retro chaise lounge? Check! Classy lingerie? check! Stunning model? Check! Whopping boobs? Check! Shapely rear? Check! Lip-smackingly inviting looking set of fanny lips? Why yes – it's a full house! There's not much more you could ask for in life than to while away those lazy summer days and sultry nights with Tiffany James, is there? Especially if she's all dolled up like this! Quite honestly I'm half inclined not to bother with the rest of the mag – with Zara and Tiff under our belts, I think we've already nailed it!

# HEAVEN ELEVEN!

## The Ed's been mulling over what his new car's going to be, and darn if we haven't just found it!

In March of this year a new chapter in Aston Martin's glorious history began at the 86th International Geneva Motor Show with the unveiling of the DB11.

The first product launched under the company's 'Second Century' plan, DB11 is the bold new figurehead of the illustrious 'DB' bloodline and an authentic, dynamic sporting GT in the finest Aston Martin tradition.

The DB11 showcases a fresh and distinctive design language, pioneering aerodynamics and is powered by a potent new in-house designed 5.2-litre twin-turbocharged V12 engine. Built upon a new lighter, stronger, and more space efficient bonded aluminium structure, DB11 is the most powerful, most efficient and most dynamically gifted DB model in Aston Martin's history. As such, it is the most significant new Aston Martin since the introduction of the DB9 in 2003.

Building upon the DB10, which was developed specifically for James Bond, the DB11 re-imagines the relationship between form and function with a series of fresh design signatures. Foremost amongst these are the front-hinging clamshell bonnet, distinctive LED headlights and accentuated lines of the iconic Aston Martin grille. The profile is equally dramatic, thanks to the roof strakes that flow uninterrupted from A-pillar to C-pillar. The clean lines continue at the rear, with a sloping decklid that smoothly blends into boldly sculpted tail-lights to create a new and unmistakable graphic.

Innovative aerodynamics play their part in this aesthetic revolution with clever management of airflow both over and through the bodywork aiding stability while preserving the DB11's uncluttered surfaces. Front-end lift is reduced by the gill-like Curlicue, which releases high-pressure air from inside the wheel arch via a concealed vent within the redesigned side-strake. Meanwhile, rear-end lift is reduced by the Aston Martin AeroBladeTM; a virtual spoiler fed by discreet air intakes located at the base of each C-pillar. Air is ducted through the bodywork, before venting as a jet of air from the aperture in the rear decklid.

Like every Aston Martin, the heart of the DB11 is found beneath the bonnet, though unlike any Aston Martin before it, the DB11's heart is a 5.2-litre twin-turbocharged V12. Designed in-house this new engine develops 608PS1 (600BHP1) and 700Nm1 of torque, making DB11 the most powerful production DB model ever. Naturally, it's the most dynamic and most accelerative too, with a top speed of 200mph and a 0-62mph time of just 3.9 seconds. Thanks to intelligent bank activation and stop-start technology that potency is matched by greatly improved efficiency.

To exploit the advantages of its new body structure and harness the immense performance of the new twin-turbo V12 engine, the DB11's chassis, suspension, steering and electronics have been re-imagined and key new technologies embraced. Multiple driver-selectable dynamic modes - GT, Sport and Sport Plus - progressively intensify the response of the engine, 8-speed automatic ZF transmission together with the new electric power steering and Torque Vectoring by braking while increasing the firmness of the adaptive damping for a greater sense of agility. The result is a driving experience that combines exemplary ride comfort and true sports car agility, for an extraordinary breadth of dynamic capability.

> DB11 IS THE MOST POWERFUL, EFFICIENT AND DYNAMICALLY GIFTED DB IN ASTON MARTIN'S HISTORY.

As a true 21st century Aston Martin the DB11 combines the very latest technology, developed in conjunction with technical partner, Daimler AG, with the finest quality and hand craftsmanship. Using a full-colour 12" TFT LCD display, the all-new instrument cluster presents primary vehicle information with absolute clarity, while a second, centrally-mounted 8" TFT screen is dedicated to infotainment. Controlled via an intuitive rotary control, with an optional touchpad offering character recognition, multi-touch and gesture support, the new satellite navigation and audio system have never been more effective, sounded better or been easier to operate. A newly implemented auto-park assist feature and 360-degree birds-eye view camera helps provide safe manoeuvring at slow speeds and is also operated via the car's infotainment system.

With wider door apertures, significantly increased occupant space - especially head and legroom in the rear - fully integrated rear ISOFIX mounting points for a pair of child seats plus a luggage compartment large enough to accommodate two large holdalls plus carry-on baggage, the DB11 is a genuine Grand Tourer. Thanks to an inspiring palette of colours and a vast array of detailing options, its interior can be perfectly in-tune with your unique personal style. From calming, carefully co-ordinated tones to sharp contrasts in hue and texture, your choices are virtually limitless. Nexus quilting and Celestial perforation add layers of

**"AS A TRUE 21ST CENTURY ASTON MARTIN, THE DB11 COMBINES THE VERY LATEST TECHNOLOGY, DEVELOPED IN CONJUNCTION WITH DAIMLER."**

beautiful complexity and intrigue, while ornate leatherwork, such as intricate brogue detailing, creates areas of visual and tactile delight.

The DB11 is not only the most important car that Aston Martin has launched in recent history, but arguably in its 103-year existence, and rightfully places Aston Martin once again as a leading brand in the luxury automotive market.

By the time this issue hits the shelves Britain will have decided whether it wants to be in or out of Europe – a decision that I can't help feeling the news media have rather ignored in the weeks and months leading up to the poll. But hey, if a quick look at busty Brit Chessie's tongue and boobtastic European Donna's snizz is anything to go by, then we definitely belong in Europe – buried about as deep into it as we can get, in fact. Ahem, that's enough politics – check these two stunners out!

**In the Summer of 1958 Robby goes to pick up his date. He's a pretty cool guy with his own car. When he goes to the front door, the girl's father answers and invites him in.**

**"You haven't lost any weight dear, that's *my* bra and knickers you're wearing!"**

**"Carrie's not ready yet, so why don't you have a seat?" he asks. "**

**That's cool," says Robby. Carrie's father asks Robby what they're planning to do. Robby replies politely that they will probably just go to the soda shop or a movie.**

**Carrie's father responds, "Why don't you two go out and screw? I hear all the kids are doing it."**

**Naturally, this comes as a quite a surprise to Robby, so he asks Carrie's Dad to repeat it.**

**"Yeah," says Carrie's father, "Carrie really likes to screw, she'll screw all night if we let her!"**

**Well, this just made Robby's eyes light up, and immediately revised his plans for the evening. A few minutes later, Carrie comes downstairs in her little poodle skirt and announces that she's ready to go. Almost breathless with anticipation, Robby escorts his date out the front door.**

**About 20 minutes later, a thoroughly dishevelled Carrie rushes back into the house, slams the door behind her, and screams at her father: "DAMN IT, DADDY! THE TWIST!! IT'S CALLED THE TWIST!!!"**

Bob works hard and spends most evenings bowling or playing basketball at the gym. His wife thinks he is pushing himself too hard, so for his birthday she takes him to a local strip club.

The doorman at the club greets them and says, "Hey, Bob! How ya doin'?"

His wife is puzzled and asks if he's been to this club before.

"Oh no," says Bob. "He's on my bowling team."

When they are seated, a waitress asks Bob if he'd like his usual and brings over a Budweiser.

His wife is becoming increasingly uncomfortable and says, "How did she know that you drink Budweiser?"

"She's in the Ladies' Bowling League, honey. We share lanes with them."

A stripper then comes over to their table, throws her arms around Bob and starts to rub herself all over him and says, "Hi Bobbie. Want your usual table dance, big boy?"

Bob's wife, now furious, grabs her purse and storms out of the club. Bob follows and spots her getting into a cab. Before she can slam the door, he jumps in beside her and tries desperately to explain how the stripper must have mistaken him for someone else, but his wife is having none of it. She is screaming at him at the top of her lungs, calling him every four letter word in the book.

Finally the cabby turns around and says, "Geez Bob, you picked up a real bitch this time."

**A man approached a very beautiful woman in the large supermarket and said, "I've lost my wife here in the supermarket. Can you talk to me for a couple of minutes?"**

**The woman looked puzzled. "Why talk to me?" she asked.**

**"Because every time I talk to a woman with tits like yours, my wife suddenly appears out of nowhere!"**

After having a few beers at the bar, the call of nature caused two old friends to line up at the same time, still deep in conversation. But Fred could hardly ignore the fact that Chas was very well endowed.

"I say, that's a remarkable donger you have there," Fred was prompted to remark.

"Wasn't always that way," replied Chas. "Medical science can do wonders with transplants these days. I got this done in Harley Street – cost a thousand quid, but as you can see, it was well worth every penny."

Fred was very envious. In fact, he packed his bag that night and headed off to London first thing.

It was a good six months later before he ran into his old mate once again and Fred could hardly wait to tell him that he had taken his advice and was well pleased with the result. "But Chas, I'll tell you something else. you were diddled, I got mine for £500, not a thousand."

Chas could hardly believe it. Same address on Harley Street, same doctor. Complaining that he had been ripped off, he asked Fred if he could take a look. Once more they lined up at the porcelain, when Chas took a peek over the partition, the worried frown which had creased his face disappeared.

"No wonder," he laughed. "That's my old one you've got"

**A guy goes to the shops to buy condoms.**
**"Do you want a bag?" the cashier asks.**
**"No" the guy says, "she's not that ugly".**

## THE REVENANT

Editor's PICK

Every now and then a film comes along that's a BIG DEAL – the sort of film everyone talks about for ages around the time of release, with Oscar tips and the like before anyone's even seen it. Well this offering from Director Alejandro G. Iñárritu (who also co-produced and co-wrote it) was the biggie at the end of last year and now, if you missed it on the silver screen, you can see what all the fuss was about in the comfort of your own home!

Leonardo DiCaprio stars as the nearly-comically named Hugh Glass, a guide to a bunch of American trappers in the 1820 who, along with his band of not particularly merry men, find themselves under attack by some natives. And, well, it's all downhill for Glass from there, really, with the combined efforts of a cheesed-off bear and some trappers really leaving him the shit. Will he survive to find vengeance? He'll give it a bloody good try, and the film is stunning to look at from the first frame to the last. Epic stuff!

## BATTLE FOR SEVASTOPOL

There can't have been many worse battlefronts than on the front line between the Germans and the Russians in WWII – it was a fiercely and ferociously fought campaign that claimed vast numbers of lives, and it's a campaign that writers and filmmakers are drawn back to again and again. We've had books and films about Stalingrad, not to mention the magnificent Russian book *Life and Fate*, and this 2015 film takes another look at the bloody conflict, this time focussing on the real-life heroics of one of the Soviet Union's greatest snipers – Lyudmila Pavlichenko. She was a Ukrainian and during the siege of Sevastopol in 1941 is credited with offing no fewer than 309 of the enemy. Yulia Pereslid takes the main role, and the unflinching look at how a woman can fit into the battleground is up there with the best of them – and as a Russian./Ukrainian co-production it's nice to see that at least filmmakers aren't interested in actually making real wars...

## EUREKA

Eureka Entertainment are doing a cracking job of unearthing some unheralded classics and giving them a pristine new dual format release, although you think they might have done this one a bit sooner, given that it shares its name with them! Still, they've found it now, and it's an intriguing title from one of the masters of modern cinema, Nicholas Roeg (*Don't Look Now, The Man Who Fell To Earth* etc.).

The ever classy Gene Hackman takes the central role – that of 1920's prospector Jack McCann – who hits paydirt with a massive find in the Klondike and who holes himself up in a Caribbean island with his wealth, his wife, and his daughter. But the world just wont leave him along, with mobsters (Joe Pesci, for one) wanting to muscle in on the action. Does money buy you happiness? Clearly not, but at least you can be miserable in comfort...

# KATIE

**Age:** 25 **Vital Stats:** 32H-22-36 5'3"

Thornton's chocolate is famous for it's tasty treats, but it's clearly not the only branch of the family that's capable of producing something we'd all love to tuck into! But is Katie herself a chocoholic, or does she have other vices she's prepared to admit to...

"I've got a sweet tooth alright, but yes, I'd say eating choccies isn't my main vice, if you know what I mean!"

Hmm, we think we just might!

# MAYFAIR Movies

No holes barred this month, as some of the most committed knob-jockeys in the business pull out all the stops in their determination to drive the poor bongo reviewer right round the twist...

Harmony

## FUCK ME 3

**CAST:** Stella Cox, Darcie Dolce, Reena Sky, Stacy Jay, Subil Arch, Lexi Lowe.

★★★★☆

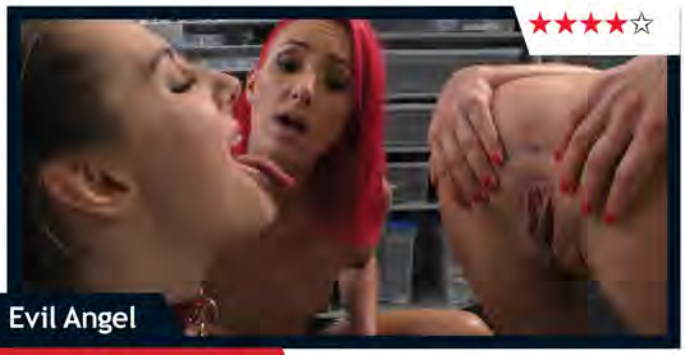
Editor's PICK

Subil Arch clearly isn't the sort of girl who likes to beat around the bush – we join her mid-wank, as she groans and begs us to give us her hard cocks and fuck her boobs. She's got a good line in the patter, and the looks to pull it off, too. And lo – all of a sudden a hard cock presents itself stage left, and Subil goes to town on it. The pair of them are clearly into it, although the lighting made everything look a little washed out, sadly.

A brace of busty beauties known to the readers of Mayfair take the story forward, with Stella Cox and Lexi Lowe sharing a cock and tucking into each other's snatch, while the jammy sod videos it all on his mini camera, meaning a nice bit of POV thrown in along the way.

Stella returns for some lesbo fun in the next scene, sharing a whopping double-ender with the delightful Darcie Dolce.

There's plenty more, including a nice POV with Lexi back in the fray – a relatively mainstream offering from Harmony that features some top talent and nothing too outlandish if you're a tad squeamish...



★★★★☆

Evil Angel

## HARD IN LOVE

**CAST:** Samantha Bentley, Misha Cross, Nikita Bellucci, Angel Long, Jessie Volt, Proxy Paige, Henessy.

Director John Stagliano's name might just ring a few bells, for it's none other than the legendary Buttman of yore! I'd kind of figured he'd retired, but clearly not, because her he is helming a lesbo-themed release from Evil Angel starring one of the UK's hottest pornsters Samantha Bentley, along with UK-based Misha Cross and a bevy of other clunge-loving hotties. As you might expect with Sam B in the line-up, things are pretty intense from the get go, things kicking off in some sort of gloomy club with Sam, Misha and Jessie Volt pulling out all the stops as the frig each other into a frenzy of fanny-batter.

Angel Long – another home-grown legend of the business – puts in a turn next, as she hooks up with Sam and Henessy. Bums get plundered left, right and centre as the girls go bonkers with a selection of toys, proving once and for all that you don't always need a cock to make a blistering sex scene. And there's another disc with more footage to pore over as well. Buttman's clearly still got it.

Blissbox.com/Elegant Angel

## SWALLOW MY SQUIRT 7

**CAST:** Adriana Chechik, Kleio Valentein, Zoey Holloway, India Summer, Stacy Jay, Karla Kush.

Once upon a time porno flampers with the ability to squirt were like hen's teeth, but these days you can hardly pick up a scruff flick without tripping over a truck full of them – and we're not just talking about little trickly squirts here either – the girls in this flick are veritable geysers when it comes to pumping out the mysterious lady-juice! The first pairing who set about taking great mouthfuls of each other's ejaculate are the stunning (and spectacularly filthy) Adriana Chechik and inked-up harlot Kleio Velentein, and with the help of an obliging knobsman they're soon splashing off all over the place – not to mention all over the face.

★★★★☆

There's plenty of fucking and a whole lot of that special G-Spot fingering to get the girls firing on all cylinders, and by the end you'll be wondering how they managed to keep it up without stopping half way through to take on more liquids. Erm, perhaps they are just recycling each other's?

There's more of the same from Zoey and India, with the addition of some bummery for blonde Zoey. It's fairly eye-watering stuff, and the girls certainly don't hold back, so if it's a nice cuddly flick to watch with the missus, you might want to give this one a swerve.

Another 2 girl/one boy scene sees us out, and left all of us involved (including the reviewer) nigh on completely drained!

# MARIE

**Age:** 25 **Vital Stats:** 32FF-25-35 5'6"
**Photographer:** Dazglam

Yikes – you don't get to many cracking norks like Marie's here to the pound, do you? And don't worry - we're not trying to fetishise schoolgirls or anything – snapper Dazza tells us that this is pretty typical of how hugely-norked Aussie girls like to dress well into their mid-20s. Well, we can't help thinking he might be fibbing a wee bit there, but if there's even one iota of truth in his claim, then that's it – I'm rolling up my swag and jumping on the first plane down under! *(Not till you've finished these blurbs you're not! – Ed.)*

M

# QUEST...

**Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!**

I was never into acting at school or college, but when I hit my 20s, I inexplicably got the bug. I spotted an ad for a local am-dram society that was putting on a play and, despite never having been on stage before, I really fancied having a go at it. I ended up getting the part, much to my surprise, and I reckon that had a lot to do with my svelte but busty figure.

The last scene of the play featured some pretty explicit female nudity and, while it was 'essential to the plot', the director, Felix, knew it would also get a fair bit of publicity. It was all very up its own arse, with lots of strutting around – it's fair to say that I've been blessed with more than my fair share of confidence in life! – but the first night went down a storm and I was ever so slightly chuffed with my first go at acting.

It was decided that I would take my curtain calls completely naked – Felix really wanted to milk the nudity for all it was worth. And afterwards, we all gathered in the big, communal dressing room for some champagne to celebrate our opening night. Knowing everyone had already seen me in the altogether, I just sat around in a robe instead of getting dressed right away. I hadn't eaten since lunchtime – through nerves, and worries about looking bloated onstage – so a few glasses gave me a right buzz!

Felix kept catching my eye, and I couldn't help flirting with him, flashing my tits like I was joking, but looking deep into his eyes all the while. After a while of this flirtation, I announced that I'd lost an earring on the stage and I'd better look for it.

I'd have been very surprised if he hadn't followed me, and as we fell into each other's arms, we ended up snogging. He seemed to like me being a diva – I was the only one of the group who stood up to him – so when I clicked my fingers and pointed down, he dropped to his knees and started to lick me.

I was meant to look as perfect as possible naked, so I'd had a wax to shape my pubes. He tongued along the edges and ruffled the short hairs that were left, then spread my lips with his thumbs and started to lap along my slit. We didn't know who might come wandering out into the auditorium, but that danger merely added to the excitement. As his tongue probed my cunt and his fingers rubbed my clit, I started to come, juicing into his mouth. Although he swallowed down a load of it, he was wet and sticky all around his lips and I licked him clean as we shared another kiss. Then someone shouted for him,

> "I FINGERED OUT SOME JUICES AND SMEARED THEM ON HIS COCK, LETTING HIM FUCK MY HAND."

and he walked out, telling me to follow in a few minutes.

He obviously saw this as a sneaking-around thing – not surprising as he supposedly had a girlfriend. So I decided to stir things up and see if I could make him jealous.

One of the stagehands, Gary, was cute but down-to-earth. He did a lot of gophering and flirted with me, but in a way that told me he didn't think he was seriously in with a chance. But I left with him after the show the following night, making sure Felix knew about it.

I knew I was using Gary, but I made it very clear to him that this was just a bit of fun. He had a nice body on him – shorter and stockier than Felix, but he had one of the thickest, most rigid cocks I've felt in my life.

He was a really good kisser, too. We lay there for ages just kissing, with my untouched pussy oozing. Then I fingered out some juices and smeared them on his cock, letting him fuck in and out of my clenched hand. I thought he'd climax really quickly but he said he could hold back as long as it takes, and that he wanted to spunk inside me.

The thought of that sent a warm twinge through my cunt and I rolled back, spreading myself wide for him. He knelt there for a few seconds then I reached down, pulling my lips open to show him the inside of my pink. Then he sunk inside, pumping and circling his dick around as I frigged my own clit.

I won't say he was the best fuck I'd ever had in my life, but it was fun. It felt like all his strength was focused in his prick and his body was so hot where it touched mine.

For all he'd said about holding back, he was struggling. He'd moan like he was in pain, clenching all over as he tried to check himself, sweat beading on his forehead. Finally, feeling a bit sorry for him, I asked if he going to come for me.

He braced himself against the bed, hands flat, and humped away, his arse pistoning in between my thighs. I managed to get a hand between us, and let his thrusts mash my fingers up against my clit.

Gary was the first to orgasm, his length pulsing as his balls emptied up my snatch. A

couple more clitoris rubs and I orgasmed, with his still-stiff cock still inside me. I heard him groan as my walls tightened around his tender shaft and helmet. I whimpered just as loud as he slipped out, feeling the gush of melted jizz down my crack.

The next night at the theatre, my ears were most definitely burning – there was no doubt that I was the subject of the gossip, but I didn't mind. Having sampled the only two studs worth a go in the drama group (and not being overly impressed by either!), I no longer had any interest in pulling any of my fellow cast members. Nor was I up for a round two with Felix or Gary! The remaining performances went swimmingly and the reviews of our play were so good that I immediately bagged myself a part in another play – with a different director and cast. I have to admit I shagged that director, too, but I couldn't resist! I guess I just have a thing for drama – and fucking the man in charge!

## "I TOUCHED THE POINTY TIP OF THE DILDO BACK AGAINST MY ANUS AND SLOWLY PRESSED IT HOME. OH! I WAS NEARLY COMING ALREADY..."

My life's been full of changes and upheavals lately. I ditched my boyfriend of three years, got a new job and moved into new flat that I'm sharing with Maisie, an old school friend. Being single is very liberating but I missed the sex, and so I decided to try something I'd never been into before – a dildo, which in turn led to another revelation of a very different kind!

I've always been quite big on masturbation, even when I was with my boyfriend. I always think about sex when I go to bed, and often end up frigging myself slowly until I come. But since I was in no mood to find another boyfriend I ordered a dildo, and when it arrived I couldn't wait to try it out. I had a shower, then went to my room with just a towel wrapped round me, eager to play with my new toy.

I put a nice CD on and took the plastic cock out of its box, my body feeling all tingly with excitement as I ran my fingers over its length. It was so big and hard, I could hardly wait to feel what it was like inside me. I lay down on the bed, opened the towel, and touched the toy against my pussy lips. I teased my clit a little until I was good and wet, and then eased the toy into my hole.

It felt amazing but – and I really can't explain this! – all I could think about was what it'd feel like up my bum. I'd never had anal sex before, and all I'd had up there before was a boyfriend's sneaky finger, but now, as I drove my new toy in and out of my cunny, my thoughts turned to my arsehole and the small sachet of lube that had come with my new toy.

I had to try it. I withdrew the dildo from my pussy, tore open the sachet and started to rub the silky liquid onto my sensitive puckered bum hole, pushing some just inside me and getting very turned-on while I was about it. When I was sure my anus was good and ready, I lifted my legs up like I do when a guy's really fucking me, pressed the tip of the dildo against my most private hole, and pressed.

Oh fuck! I nearly fainted. But I continued pushing and gradually got the whole thing right up my arse, feeling totally overwhelmed with new sensations.

I immediately wanted to take cock that way, and with a finger to my clit I started giving my arse its first fucking with my new toy.

Wanting to get a better idea of what it's like to be buggered, I withdrew the dildo, turned over and buried my face in my pillows with my botty up in the air. Reaching up behind me I touched the pointy tip of the dildo back against my anus and gently pressed it home. Oh! I was nearly coming already, and I was totally in a world of my own as I began driving it slowly in and out of my tight, peachy bottom.

So absorbed was I in fucking myself and so loud was the music that I didn't hear my bedroom door open and Dan walk in. He must have let himself into the flat and come looking for Maisie, who had gone out.

What a sight met his eyes. My arse up the air with a big plastic cock shoved right up it. I was moaning and groaning too as I fucked myself. God knows what he must have thought!

"Er... oh!" I think I heard him say.

I froze, and I had no idea what to do. I kept my bum in the air with the dildo firmly planted up it and just waited to see what would happen next.

"You should try that with a real cock," he said, clearly sensing the need to improvise.

"I think you're right," I said, and watched nervously as he closed the door and unzipped his flies. "Just be gentle," I pleaded, knowing he was the kind of guy of who'd just ram it up there and ream me. All I could do was shut my eyes and braced myself. I bit the pillow and thought of… well nothing really!

I felt Dan pulling the dildo slowly out of my botty, rotating it as he did so, and my pussy dribbled with my love juice. I think my bum must

have gaped a little when the dildo was out of me, and Dan was quick replace it with his cock.

"Ahhhh!" I wailed as I felt his bell-end plug my arsehole, but the sound was muffled by the pillows.

Dan shuffled his knees a little, then I felt his hands firmly grip my hips and he grunted as he forced his big hard cock right up my tight little bottom.

The rhythm he found to fuck me was amazing, driving his cock in and out of my arse with long firm strokes – not too fast but very hard and deep, and I started to come.

"Is that good?" Dan gasped through clenched teeth. "Is that good up your fucking arse?"

I reached up and frigged my clitty, which was swollen, hard and

erect, and my pussy started to contract as one almighty orgasm ripped through me. I've never come like that, and a wet patch formed under us on the bed where my cunt had spewed. This was a fuck and a half! Dan could hold on no longer, and for the first time I felt a hard cock squirt its hot load deep inside my tummy. Absolutely amazing!

Dan pulled his spent prick out of my anus and gave me a sharp smack on my poor little botty, then just walked out and left like nothing had happened. Conversation never was his strong point, but my God he knows how to fuck a girl in the arse and I certainly know which I'd rather have!

My friend June and I have often discussed dabbling with girl-on-girl sex but I never actually thought it would happen. We've always been very sexual people and have never made a secret of the fact we'd really like to try going down on another woman – something neither of us had up until then. We would get quite horny when the conversation came around to lesbian sex whenever we'd had a few drinks, but until a few weeks ago I imagined it would just remain a fantasy. How wrong I was!

When my boyfriend announced he was going away for a stag party I jumped at the chance to invite June round to our flat for a girlie night in. We hadn't seen each other for a while and had lots to catch up on. Snuggled up in our nighties under the duvet I pulled onto the sofa, we gossiped for hours over a couple of bottles of wine. We were well on the way to drunkenness when June started describing the wild sex she'd been having with her new bloke. Things quickly deteriorated into filth as we talked about the rude things that turn us on and other naughty things we'd like to try. It came as no surprise when the lesbian topic came up again.

Giggling over her glass of red wine, June said: "For God's sake Cassie, we're always talking about this, why don't we just give it a go?" As usual I thought she didn't really mean it and replied jokingly, "Yeah all right then, do your worst you dirty bitch." To say I was shocked when I felt her hand rubbing against my thigh would be an understatement. My heart began to pound when I realised she was serious but I couldn't ignore the rush of excitement that shuddered through my body. I'd wanted to feel the sensation of another woman's skin against my own for so long but couldn't look June in the eye as she gently stroked my bare leg beneath the covers. My body went completely rigid with panic but even though my friend must have noticed this, she carried on regardless.

There had been countless times when June and I had touched in the past, and had even been naked together many times before but suddenly I felt very self-conscious. Desperately trying to relax, I closed my eyes and concentrated on the fantastically erotic feeling that washed over my body. My head spun with the combination of alcohol and sheer lust as June continued gently caressing my inside leg. Her fingers slowly wandered closer and closer towards my dampening pussy and when she reached my panties I gasped, opening my eyes in nervousness. June stared back at me intently and I knew there was no going back as she smiled wickedly. Her hand cupped around my pubic bone and I realised she'd be able to feel my juices oozing through the fabric of my cotton knickers. My clit began pulsating with excitement when she pressed her middle finger against my stiff button and leaned closer to kiss me.

"I FELT MY OWN FANNY TWITCHING AS I TOOK HOLD OF MY FRIEND'S BUTTOCKS AND PULLED HER TO MY FACE..."

Neither of us knew exactly what we were doing but from that point on the whole thing just became instinctive. June gently pressed her lips against mine and slowly we began a deep kiss that made my legs weak with excitement. For a while I kept my eyes open, watching my friend's beautiful face as she explored my mouth with her tongue. At first I simply couldn't believe I was snogging my best mate. But after a few mind-blowing moments the eroticism of the situation took control. Fuelled with lust, I reached towards June's face and held her head as we kissed deeper and deeper. Then I allowed my hands to wander towards her heaving chest.

Her tits had always been much bigger than mine had and I was desperate to touch them and hold them in my hands. The straps of her satin nightdress slipped from her shoulders revealing her large fleshy boobs and I groped them excitedly, keen to feel them at long last. June moaned in delight as I moved towards her big brown nipples and began squeezing

and tweaking them the way I knew she enjoyed. June responded by taking my own pert little tits in her own hands and for a few tantalising minutes we played around with each other's tits. Then I lowered my head towards her soft breasts, kissing the skin and eventually reaching her stiff nipples. I flicked my tongue over the ends and began gently sucking and chewing on them. This sent June wild and she pushed me onto my back, pulled off her nightdress and hitched up my own.

against my face, smothering me in her intoxicating juices. Suddenly I knew she couldn't hold out any longer and I rammed my fingers hard up her bum as she screamed she was coming. "Fucking hell, Cassie!" she shouted unashamedly, and my mouth filled with her cream as her huge orgasm eventually subsided. By this point my cunt was begging for a tonguing and never a girl to be selfish, June obliged as soon as she got her breath back. I was dizzy with lust and lay back as my mate

Clambering on top of my body, she started grinding her shaven fanny against my own, allowing our juices to mingle as she rode around on top of my cunt. Her bald pussy was now soaking wet and I reached between her legs to touch it. Slowly, I slipped my middle finger between her plump lips, nudging against her clit as I found my way into her tight sticky hole. Obviously I'd had years of experience playing with my own pussy but exploring someone else's felt deliciously sluttish. I thrust my finger deep inside her tunnel and wriggled it around until I knew I'd found her g-spot.

June looked so fucking sexy as I lay on my back watching her ride on my hand, her huge tits bouncing up and down. "Lick me Cassie, I want to feel your tongue on my clit…" She begged. I felt my own fanny twitching with anticipation as I took hold of my friend's buttocks and pulled her nearer to my face until she was eventually squatting over my mouth. On her knees, June waited impatiently while I took one last look at her pink, juicy cunt before unleashing my tongue onto her sex.

My nostrils filled with her gorgeous musky scent as I lapped up her sticky juices and moved my tongue inside her slit. First I licked up and down her smooth labia. Then I began working on her swollen clit, building up a steady circular rhythm. I thrust a finger back inside her dripping hole and while I worked on her fanny I eased another finger inside her tight puckered arsehole. June had told me so many times that she adored being fucked up the arse and I knew she'd just love me to stretch her wide so I thrust another finger up her bum. This made her whimper in dirty delight and with both holes filled – not to mention my tongue grinding against her clit – she began to come quickly.

At one point I almost couldn't breathe as she rubbed her fanny prepared to go down on me.

I opened my legs wide and thrust my hairy pussy towards her face, desperate to feel her tongue in my cunt. She slowly parted my lubricated lips and rubbed the tip of her finger against my clit. I couldn't help the grateful groan that escaped from my mouth when she began working on my hole and June smiled. "I'm dying to taste your pussy. I'm gonna make you come like you've never come before!" She teased and I thought I'd burst at the sheer prospect of it. Then she lowered her head between my legs and pushed her tongue inside my snatch. I can't explain how fucking good it felt to have another woman licking my cunt. Maybe it's because it's so taboo, but I'd never felt so horny in all my life. I reached down and pulled open my pussy lips to allow June better access to my sensitive clit.

At first my button was so wet that she had difficulty keeping her tongue on the right spot but after slurping away at my juices she got it just perfect. I rubbed my nipples hard for an extra kick and when June started chewing on my clit I lost control completely. I clamped my legs around her face and thrust my fanny against her mouth as an enormous orgasm shuddered through my entire body.

When my climax was over June surfaced, her face glistening with my sweet smelling juices, and we collapsed into a final deep kiss. And then, after a short breather, we started all over again! Needless to say, we don't talk about girl-on-girl sex anymore – we just get down to it whenever we can!

# JESSICA

City slicker, Jessica Taylor, is something of a closet cross-dresser. When her boyfriend's out, she gets a real thrill trying on his clothes. "I love slipping into his suit, especially when he's just taken it off and it's still warm," she says snuggling up in his pinstripes. "It's just like having him hold me really close." Normally, the 22-year-old Docklands doxy prefers more feminine threads to caress her 36-23-34 figure. "Silk or satin is still the best next to the skin," she claims. "It feels so smooth, just like a cool hand sliding over me. It makes me so horny." Jessica's a real material girl. Ⓜ

# MAYFAIR Classic

And if the lovely Jessica and her pinstripes weren't enough, what we also have here is a prime slice of top tog Joanie Allum's handiwork. She's quite possibly the photographer older readers still go misty-eyed about the most, and for you youngsters, this set gives you an idea why...**

Sophie & Roxy

There really is no rest for the wicked! No sooner have we put to bed another corking issue of *Mayfair* than it's time to think about what we're going to put in the next one. Back in the day we used to be able to have a couple of weeks off to recharge the old batteries, but the 21st Century doesn't really seem to work like that, does it? Still, seeing as we're here, we'll give you a bit of a teaser for next time – and trust us, you'll want to see what Sophie Star and *MF* newbie Roxy Mendez are getting up to!
